**Green Circle**  
Bespoke glazing

Our NEW Lift and Slide Door System provides panoramic views and effortless opening. Lift and Slide technology makes it possible to secure sliding panels in any open position and when the door is locked, the sliding panels drop onto watertight EDPM rubber seals – giving this system a very impressive weather rating.

## Simple, Elegant and Secure...

### Multi-Option Sliding

Single, Double or Triple sliding options available. Triple Sliding System can incorporate 3 door panels sliding in both directions.

### Breath-Taking Parameters

Capable of spanning an aperture of 6.7m wide by 3.2m in height in just two panels. Divided by a central mullion of just 47mm.

### Flush Floor System

Low Profile Track can be set-up to marry internal floor level.

### Highly Secure

Multi-point locking and high security cylinders offered as standard.

### Standard Colours

Gloss White: RAL 9016

Anthracite Grey: RAL 7016

Jet Black: RAL 9005

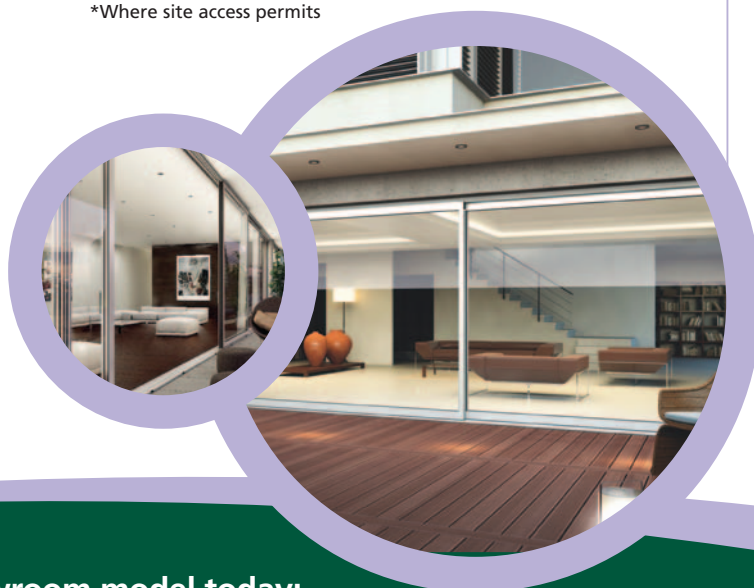

Our range of handles have been selected to complement the door's contemporary design.

Available in; Black, Silver, Brushed Stainless Steel and White.
