Green Circle
Bespoke glazing

Our premium slab door combines the latest technologies in bonding and aluminium architecture quality to provide you with a flush faced luxurious Slab door to accentuate the high-quality finish of your home.

Some of the benefits offered from this range include...

Flush Finish

This thermally efficient door has a specialist bonded panel system to create a flush finish door slab against the frame.

Increased Performance

Thermally efficient glass with centre pane 'U' values from 0.9 W/m²K to 1.1 W/m²K. 66mm Triple glazed laminated glass units.

Vast Ranges

We have a large range of styles available in a full range of colours to make a complete feature of your home. This can be finished with high end bespoke furniture options including coastal graded stainless steel to complement your door.

Excellent Security

Fully tested to PAS 24:2016
High security 10-point lock and escutcheon system with 3 Star high security cylinder fitted as standard.

Hinges

Secure and slimline heavy-duty hinges to take 80Kg of pressure per hinge.

“Communication is key with a project and your communication with us was excellent throughout.”

P B
Plymouth

“Many thanks for the installation, which was completed to a high standard. We would also like to compliment the installation team on their polite and obliging manner.”

Peter Wilkinson
Stoke Gabriel, Devon
